INFORMATION FOR UNITED STATES CITIZENS PURCHASING BREEDING STOCK AT THE CALGARY SALES FOR EXPORT TO THE U.S.A.

The Staffs of the Alberta Live Stock Associations and the Calgary Exhibition and Stampede will assist all United States citizens who purchase livestock at any of the Calgary Sales, held under their auspices, and who wish to export to the U.S.A. They will arrange for and complete the necessary forms required by the Canadian and United States authorities for accredited stock, which permits the importation of breeding stock into the U.S. exempt from duty.

All sales are to be in Canadian dollars, payable at par in Calgary. U.S. funds will be accepted at the current rate of exchange for the purchase of all livestock.

Certificates of Registration for all animals must be transferred into the name of the new owner before being shipped, arrangements have now been completed, and a representative of the Records Office from Ottawa will be in Calgary, and this transfer can be made and recorded in less than 24 hours from the time of purchase.

A charge for feeding, keep and other services will be made for any stock held in Calgary after completion of sale until shipped.

Prospective purchasers are advised to contact the Secretary who will gladly explain all details more fully.

Animals purchased for export must be submitted to the necessary tests and inspections.

DISPUTES

11. If any dispute arises between two or more bidders, it shall be settled by the animal or animals being again put up and resold. The decision of the auctioneer shall be final in all such cases.

OWNERSHIP AND SETTLEMENT

- 12. Should any purchaser fail to settle for his purchase, the Association reserves the full power to re-sell the animal to the best advantage, either publicly or privately, without further intimation, and any loss arising from such re-sale, together with keep and all other expenses, will be collected from the defaulter. In the event of a seller desiring to purchase other stock, he may obtain credit up to within \$50 per head of the amount of his sales by applying at the office of the Secretary.
- 13. Immediately after each purchase is declared, the risk of the animal shall be exclusively with the purchaser, and it is declared that until a settlement shall be made in the terms of these conditions, the delivery of the animal shall be suspended.
- 14. The Secretary will have the power to give receipt in full for all payments for stock, and will remit the amount realized less the proper charges, to the seller thereof within three weeks after the date of the sale, provided certificate and transfer are in order.

FEED AND LOADING CHARGES

15. A fee will be charged the purchaser for feeding (hay only) and caring for the animals from conclusion of sale until loaded, where animals are held by instructions of purchaser.

BREEDING GUARANTEE

16. Should any bull fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the consignor within six months following date of purchase. If a satisfactory agreement cannot be reached between buyer and seller, the Association will attempt to mediate a settlement.

The Association acts as agent only and under no circumstances will the Association accept financial responsibility between buyer and seller.

The Consignor is not responsible for damage caused by foreign bodies after the animal is sold, or for sickness not apparent at sale time.

All transportation charges on animals returned to the consignor are for account of the purchaser. No incidential expenses such as feed, care, veterinary charges, etc., will be charged by either party when making settlement.

17. Persons interested in the cattle industry in Alberta, although not breeders or cattle owners, may join the Association as associate members, upon payment of two dollars per year. Such associate members may attend the meetings of the Association, and take part in the discussions, but will not be eligible for office, and may not vote.

FEED, WATER, ETC.

18. All contributors will be required to supply all necessary feed and care for their bulls up to and including the last day of the current year's sale.

Any contributor failing to comply with these regulations may be excluded from participating in future sales held by this Association.

The responsibility for feed and care of bulls will rest with the purchasers after the above date.

Stabling and water supplied free. Sellers or their agents will be required to take charge of their animals immediately upon arrival at point of sale, have the animals placed in the stables, remain in attendance upon them, and feed and water them as required by the above regulations.

SHIPPING

20. The Association, acting as the agent of the purchaser, will ship all animals by rail as instructed, if possible, but the seller must water and feed his entries as required by Rule 18.

ASSOCIATION LOADS AS AGENT ONLY

21. Every care will be exercised by the management to prevent injury to or loss of property, and to insure the prompt delivery of animals, but the Association, acting only as a medium between buyer and seller, will not be responsible for any loss or damage that may occur, nor for any stock mis-sent, whether through negligence on the part of its officers or servants or not. Insurance against loss should be taken out by owner, if he considers same necessary.

INSPECTION OF ANIMALS FOR SALE

22. Upon arrival at the sale premises (Stampede Park, Calgary, Alberta) of bulls entered for sale, the Alberta Cattle Breeders' Association shall cause the bulls of each separate breed to be inspected by a qualified veterinarian appointed by the Alberta Cattle Breeders' Association and on the recommendations of any such inspector or inspectors, shall remove any such bulls (as any such inspector shall consider as inferior in quality or as not being representative of the breed, or as not being of breed soundness as it may be determined by physical examination) immediately from the sale premises.

The entry fee paid by the entrant to the Association in respect of any such animal removed or rejected as aforesaid shall belong to and remain the sole property of the Association.

The entrant hereby appoints and constitutes the Association his agent for the purposes aforesaid with full power and authority to sub-delegate its authority and powers.

23. Bulls that have been entered and are not in good condition by the date when they should be shipped for the sale should not be sent in, as culling will be very severe.

CATALOGUE AND ORDER OF SALE

24. Entries will be catalogued and sold in four alphabetical groups: A to E, F to L, M to R, and S to Z. These groups rotate annually, by moving the group selling first one year to last the next.

Further, the letters in each of the four groups will also rotate annually, with the letter appearing last one year, becoming the first the next. The following will be conducted as one letter: "IJK"; "UV"; "XYZ".

In 1977, the entries will be catalogued and sold in the following order: (G, H, IJK, L, F); (N, O, PQ, R, M); (T, UV, W, XYZ, S); (B, C, D, E, A).

The breed order will be: Horned Hereford, Polled Hereford, Angus and Shorthorn.

No more than seven bulls, with no more than one bull born in 1976 (yearling) of any one breed bearing the same tattoo will be accepted from one breeding establishment, and the Association shall have the right to refuse entries, or reduce the number of entries submitted by any exhibitor.

A contributor who has entered seven bulls will sell them all the first round.

Grand and Reserve Grand Champions will sell as follows:

Herefords — Horned at start of the Horned Hereford Sale, Polled at start of Polled Hereford Sale.

Angus — At start of Angus Sale.

Shorthorn — At start of Shorthorn Sale.

The consignors of the Grand and Reserve Grand Champions must sell their entire string immediately following the sale of their champions.

SPECIAL NOTICE REGARDING HORNLESS BULLS

21. All polled or dehorned bulls must be tied with a suitable halter and substantial neck rope. The neck ropes must remain on the bulls at all times while in the barn and must be left on the bulls after the sale.

OUTGOING CHARGES TO PURCHASERS

- 31. Freight rates for outgoing shipments will be available in office, and shipping arrangements can be made there.
- 32. Purchasers must make all necessary arrangements themselves and with the Secretary for necessary attendants. Feed must be supplied by the purchasers while the animals are in transit.

RELEASE OF BULLS

33. No Bulls may be removed from the sale premises without a release slip.

ASSOCIATION IS AGENT ONLY

- 34. It is to be clearly understood that the Association is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between the buyer and seller themselves.
- 35. In all cases, however, the influence of the Association will be exerted, as far as possible, to hold all parties strictly to these regulations.
- 36. The Executive Committee reserves the right to decide any point not covered by the rules which said Committee considers is necessary in the proper regulations and management of the sale.

37. Every person who contributes an animal to the sale, and everyone who bids at the sale by so doing agrees to the foregoing terms and conditions of sale.

ADVANCES TO CONTRIBUTORS

Advances will be made to contributors up to and including Wednesday, March 2nd. This will enable the Accounting Department to close the accounts and make settlements in the shortest possible time.

NO PLATFORM UNDER BULLS

Platforms under bulls will not be permitted in the Livestock Pavilion.

TB STATUS

All herds are under the restricted area plan unless otherwise stated in catalogues or announced by the auctioneer.
